

# *The Wiltshire Golf Captains*

**FOUR COUNTIES, 29<sup>TH</sup> JUNE 29<sup>TH</sup> AT BROADSTONE GOLF CLUB**

## **MATCH REPORT**

**RESULT: Berkshire 204**

**Wiltshire 203**

**Dorset 202**

**Somerset 196**

Very close result. But for the outrageous score of 47 from a Berkshire pair, we would have won!

We had a great day at Broadstone, beautiful course in good condition, although some, who were familiar with the course, said it was usually better, the greens were a bit slow.

Many groups were listening in to the England-Germany Euros match. Phil Hadfield, Berkshire, in my group was following the match on his phone. We got to the 18<sup>th</sup> tee, still no goals. We then heard a tremendous roar from the Club House, Phil confirmed the first England goal. Another roar during our approach shots, 2<sup>nd</sup> Goal! Putting out to Cheers on the final result!

Team selection went well only 2 withdrawals, one with a Serendipitous outcome. David Headech came in as a replacement for Mark Lousteaus' partner. Mark told me how delighted he was as Derek was an old friend who he had not seen for some time. They celebrated by taking the Best back 9 prize, with 42 points, which was also the best Wiltshire score.

A Proud Day for me, my partner was my son, this years Captain of my Club, The Wiltshire.
