13th May, 1961

Dear Sir,

At a Meeting held at North Wilts Golf Club on Wednesday, 10th May, 1961, the decision was taken to form The Wiltshire Golf Captains' Society.

The meeting was attended by 19 Captains, Past and Present, of Clubs in the County and apologies were received from 34 people. In addition, those present were able to report that the Society would have the support of other members of their Clubs.

The Rules of the Society were discussed and I attach a copy of these for your information. Officers of the Society were elected as indicated above.

The Meeting decided that the activities of the Society should be confined to the playing of Golf and the holding of Social Functions of a Golfing Nature, With this in view, our Captain is making arrangements for a Stableford Competition, to be followed by a Supper, in late June. It is our intention to arrange another meeting in the Autumn which may be followed by a Dinner and, in addition, the possibility of arranging a match with another Society will be explored.

You will note that Life Membership of the Society is open to all captains, past and present, of The Wiltshire County Golf Union, the Wiltshire Alliance, and all Clubs affiliated with the Wiltshire County Golf Union. It is earnestly hoped that all those persons eligible will wish to join and I would be grateful if you would fill in the Membership Form which is attached and return it to me with your subscription. Alternatively, if you would give the form to the Captain of your Club, I have asked him to return it to me.

A notice concerning the meeting at the end of June will be sent to all those people whose membership forms have been received by 31st May, 1961

Yours faithfully,

J.T. LUMLEY.

Hon. Secretary.
